

NOTICE

Due to the implementation of the Department of Assessment's Tax Map certification requirement, effective Wednesday, January 14th, 2015, all deeds, mortgages, satisfactions, assignments, and consolidations must have their Section, Block and Lot verified with the Department of Assessment prior to presenting the instrument for recording in the Clerk's office. Instruments presented without the Department of Assessment certification page cannot be accepted for recording.

Please direct all inquiries regarding this requirement to the Department of Assessment.
